New Millennium

## ACKNOWLEDGMENT AND AGREEMENT OF PROTOCOLS

The undersigned ("Client") acknowledges that **CENTURY 21 New Millennium** has established certain protocols for its agents to follow when working with Sellers, Buyers, and Renters in an effort to be socially responsible and to do all that can reasonably be done to limit the spread of, and the risk of infection from, the COVID-19 virus.

The Client has had the opportunity to review the applicable protocol and consider his/her ability and willingness to abide by the terms of the protocol.

After review of the protocol, the Client acknowledges that the same is inherently reasonable under the difficult circumstances facing the general public and agrees to: (i) personally abide by the established protocol at all times when working with an agent of CENTURY 21 New Millennium; and, (ii) insure that others under the Client's custody and/or control (e.g. children) abide by the established protocol at all such times.

The undersigned further acknowledges the right of the CENTURY 21 New Millennium Agent to refuse to provide real estate services if, in the sole judgment of the Agent, the undersigned has failed or otherwise refused to abide by the established protocol.

Both the Agent and the Client pledge to work together to do their part in the fight against COVID-19.
